Additional Required Items:

### **Media: Technology Fee - \$5.00**

Please put cash or check (made out to EWA) in a sealed envelope addressed to Mrs. Barnhill, labeled with the child's first and last name, and homeroom teacher's name. This fee pays for every child to have yearly access to an online coding program and other educational websites used in Media classes, general classrooms, and provides accessibility at home.

The Media Center is also looking for donations of old smartphones or iPod touches that can be used in the classroom with Google Cardboard.

### **Music: 3rd and 4th Grade ONLY: \$7.00 for recorder purchase**

Please put \$7.00 CASH in a sealed envelope addressed to Mrs. Rothra, labeled with child's first and last name, and homeroom teacher's name. Recorders will be used all during third and fourth grade, so students need their own instrument which will be yours to keep. Due to concerns of lead in toys, please ONLY purchase high quality recorders from Mrs. Rothra and NOT from the dollar store or Walmart. If you bought one from Mrs. Rothra in third grade, you may use that for fourth grade. Also, recorders purchased in previous years may be passed down and used by a younger sibling. If you have a recorder that is no longer being used by anyone in your family, you can "recycle" it back to the music room for in-class use.
