## **SCHOOL SAFETY**

- East Wake Academy is a school dedicated to providing a safe and secure environment. All visitors are to report to the K-4 main lobby. Only parents and immediate family are allowed on campus during the school day. No other visitors will be allowed on campus, without prior approval. This includes lunch and after school. Any visitor not wearing a school visitor badge will be considered a trespasser. This policy will be enforced with no exceptions.

## **BEFORE SCHOOL SUPERVISION**

- Any student that arrives on the school campus prior to the official opening must stay outside of the buildings until 7:45 a.m. If it is necessary for you to bring your child before the normal school day, please seek before school care services.
- The time between 7:30 a.m. and 7:45 a.m. is teacher preparation time! (No students are to be admitted into the classrooms at this time!)

## **TARDIES**

- **Students are expected to report to school and to all classes on time.** A student shall be seated at his/her desk at the time appointed or the student will be recorded as tardy for that particular class. All students who are late should be signed in by the parent and get a tardy slip.
- It is just as important that students be on time to school as present. When a student is late for school, they are missing valuable instructional time. The same reasons are excused for being tardy to school as for being absent.

## **TARDY POLICY:**

- 1<sup>st</sup> Tardy: Verbal warning to student
- 2<sup>nd</sup> Tardy: Verbal warning to student
- 3<sup>rd</sup> Tardy: Disciplinary Action—Letter or email to parent from administration
- 4<sup>th</sup> Tardy: Disciplinary Action--Parent conference requested.
- 5<sup>th</sup> Tardy: Disciplinary Action—Administrative discretion-parent conference mandatory.
- 6<sup>th</sup> Tardy: Out of School Suspension—3 days mandatory
- 7<sup>th</sup> Tardy: Out of School Suspension—5 days mandatory
- Any infraction exceeding seven tardies in 1 quarter will carry a mandatory 10 day suspension and board review regarding attendance status.
- If the EWA Board of Directors allows the student to remain at EWA, any addition infractions will face mandatory out of school suspension and possible long term suspension.

## **CHECK-OUT PROCEDURES**

- When it is necessary for a student to leave before the end of the school day, the parent or guardian must sign the student out. The office staff will call for students to come to the office to be picked up early.

- **Your child is expected to stay at school until dismissal time unless there is an emergency or a doctor/dentist appointment. Due to carpool traffic, we ask that students not be signed out between 2:45 and 3:15pm.**

#### **COURT ORDERS**

- If a child is only to be picked up by a custodial parent or guardian, a copy of the court order must be on file in the school office.

#### **DISMISSAL**

- State law requires that our students be in class a certain number of hours per day. Students in grades K-4 will be dismissed at 3:00 pm. Grades 5-12 will be dismissed at 3:15 pm. Students in kindergarten through fourth grade will leave class at 3:00pm and should be picked up by 3:30 pm. Students from fifth through twelfth grades will leave class at 3:15 pm, and should be picked up by 3:45 pm. **If a Middle School student has not departed from the school grounds by 3:50 pm, the student will be sent to after-school-care and the parents will be charged a nominal drop-off fee.** (Written permission from the parent or guardian must be provided in order for a child to leave campus with anyone who is not listed on the student release form.)

#### **LUNCH**

- Most days students will eat lunch in the area provided. On occasion the school offers an opportunity for the students to purchase hot lunch, and is announced several days in advance. While most classrooms have a microwave, please do not send items that require a lot of time to cook. Lunch time is limited and there may be many students who need to use the microwave.
  - Students are expected to bring their own lunch.
  - Each student is responsible for leaving his or her area neat and clean.
  - Students will be allowed to contact parents if he/she has forgotten their lunch.
  - **Reminder: NO GUM chewing is allowed on campus at anytime.**

# ATTENDANCE

- Students who have unexcused absences from a class for more than **ten (10) days in a semester** or **twenty (20) days during a year** shall not receive credit for the semester or year where applicable.
- In the event of absence it is the responsibility of the student to bring a note signed by the parent or guardian citing the reason for such absence to the homeroom teacher. All absences not accompanied by a note will be recorded as an unexcused absence.

## GENERAL RULES:

- Absence due to participation in school sponsored and approved events will not count towards the allowable days absent (this includes in-school suspension).
- Students must be in attendance until 11:45 p.m. in order to be counted present. In all classes, absences will be counted daily. Attendance is required in one-half of a student's scheduled classes to be counted present. However, work missed in those classes is strictly the **(responsibility of the student)** and not the teacher.
- Absences accumulated by students at other schools and in other systems will be counted when the student transfers to East Wake Academy.
- In the event of an excused absence, a student will be allowed to make-up work without receiving penalties to their grades. The make-up time will be a maximum of **five (5) days** from the day of the students return to school.
- The responsibility for securing and arranging for make-up work rests with the students.
- A student leaving during the day is to be signed out at the middle school office by the person picking him or her up.
- Attendance is an essential part of the learning process. Students should be in school no less than 160 of the 180 school days. **Even if the child has excused absences, they still count against perfect attendance and the allotted days required by the North Carolina Compulsory Attendance Law.**

## LAWFUL ABSENCES

- It is the student's responsibility to obtain from all teachers their missed assignments. They have **five (5) days** to make -up the work missed. A grade of zero (0) will be given for any work not completed during the make-up period.

## LAWFUL ABSENCE (CODE ONE)

- Illness or injury (the school may request a doctor's statement and/or satisfactory evidence of the reason for the absence).
- Isolation ordered by the State Board of Health.
- Death in the immediate family.
- Emergency medical or dental appointments or such appointments with prior approval by the

administration or designee. It is expected that if at all possible, these appointments should be made after school hours.

- Court or administrative proceedings if the child is a party or subpoenaed witness.
- Religious observance when the family religious tenets require or suggest the observance of a religious event.
- Educational opportunity when permission is obtained in advance from the administration and teacher(s) and when it is demonstrated that the purpose of the absence is to take advantage of a **valid curriculum-related, educational opportunity**. A form is available in the middle school office to obtain approval. If advance approval is not obtained, the resulting absences will be coded unlawful.

#### **UNLAWFUL ABSENCES (CODE TWO)**

- An absence with or without parental permission which does not come under one of the excused absence categories.
- Examples:
  - Hair appointment
  - Oversleeping
  - car trouble

#### **NOTIFICATION TO PARENTS OF NON-COMPLIANCE WITH THE GENERAL COMPULSORY ATTENDANCE LAW**

- The parent, guardian, or custodian of a student shall notify East Wake Academy of the reason for each known absence of the child, in accordance with East Wake Academy policy.
- Whenever a student has accumulated three unlawful absences in a school year, the administrator shall notify the parent, guardian or custodian of his or her child's absences. After not more than six unlawful absences, the administrator shall notify the parent, guardian or custodian by mail that he or she may be in violation of the Compulsory Attendance Law and may be prosecuted if the absences cannot be justified under the established attendance policies of the State of North Carolina and East Wake Academy.
- After ten accumulated unlawful absences in a school year, the administration shall review any report or

investigation prepared under G.S. 115C-381 and shall confer with the student and his/her parent, guardian, or custodian if possible, to determine whether the parent, guardian, or custodian has received previous notification and made a good faith effort to comply with the law. If the custodian has not, the administration shall notify the state District Attorney. After ten accumulated absences the student may be asked to withdraw from East Wake Academy due to violation of the Student/Parent Agreement to attend school, in lieu of legal action. The student/parent may appeal this decision in writing to the board within three days of said decision.

- If the administration determines that the parent, guardian, or custodian has not made a good faith effort to comply with the law, the administration may file a complaint with the juvenile intake counselor under Chapter 7B of the General Statutes that the student is habitually absent from school.
- Evidence showing that the parent, guardian or custodian of the student was notified of **ten accumulated** absences which cannot be justified by established policies of East Wake Academy shall constitute a prima facie case that student's parent, guardian or custodian is responsible for the absences. Any parent, guardian, or other person violating the provisions of the attendance law shall be guilty of a Class 3 misdemeanor.

## ACADEMIC INFORMATION

- Students will receive instruction in the four main academic subjects of language arts/reading, math, science, and social studies. ### PROGRESS REPORTS

- Progress reports are sent home at mid-term and/or other times deemed relevant by the administration to keep parents aware of the academic performance of their child. Parents and teachers are encouraged to devise a plan to ensure the students success at East Wake Academy.

### PROMOTION/RETENTION REQUIREMENTS

- All students must be evaluated as completely as possible before a decision on promotion or retention is reached. The primary information used will include:
  - Achievement levels

emotionally. Parents will be notified as soon as possible if their child is in danger of being retained. The administration will direct and assist teachers in their evaluation and approve grade assignments in order to ensure uniformity of evaluation standards. While the parents will be involved in the placement of their child, the final decision as provided by law will rest with the administration.

#### **TWENTY-ONE DAY FAILURE POLICY**

- A student who is absent a total of **twenty-one days** per school year for reasons defined as lawful or unlawful (excused or unexcused) shall automatically fail the work in that class for the school year. If a student accumulates twenty-one or more days, some of which fall within the lawful category, he or she must appeal in writing to the Administration for a ruling.

## STUDENT RECORDS AND RELEASE OF STUDENT INFORMATION

- Cumulative folders for middle school students are kept in the middle school office and access to these records is restricted. No record or information from a record may be removed from the authorized location without permission from the administration or designee. The purpose for such access may be granted and is restricted to legitimate educational and other legal needs. The cumulative record should contain personal and family data, attendance reports and scholastic information (including grades and test data).
- Each student's official record also shall include notice of any suspension for a period of more than 10 days or of any expulsion under G.S. 115C-391 and the conduct for which the student was expelled. The notice of suspension or expulsion shall be expunged from the record if the student:
  - Graduates from high school; or
  - Is not expelled or suspended again during the two-year period commencing on the date of the student's return to school after the expulsion or suspension.
- The Family Educational Rights and Privacy Act (FERPA) grants parents and students over eighteen years of age ("eligible students") certain rights with respect to the student's education records. They are: the right to read, inspect, and copy any and all records, data and information maintained with respect to the student within forty-five (45) days of the day East Wake Academy receives the request for access.
- The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate and misleading. Parents or eligible students are asked to write the Headmaster, clearly identifying the part of the record they want changed, and specify why it is inaccurate or misleading.

# ENROLLMENT/WITHDRAWAL

## ENROLLMENT OF NEW STUDENTS:

- When a student enters East Wake Academy having previously been registered at another school at the beginning or during the school year, the student and parent should make immediate contact with the administration. Every effort will be made to immediately obtain the student's records (including special program files) from the previous school attended by the student.
- Once the registration process has been completed, tentative placement will be made based upon the information available. Final placement will take place after the administration has had the opportunity to review the student's **complete** records (including psychological testing and special programs files).

## WITHDRAWAL FROM EAST WAKE ACADEMY:

The procedure to be followed for withdrawing a student is as follows:

1. Inform the administration or data manager of the last day the student will be at school.
2. Inform the administration or data manager of the new address of the student and the new school he/she will attend, if known.
3. **Complete the required withdrawal process** (if this process is not completed, the student will remain on the roster for East Wake Academy). Turn in all textbooks and materials and supplies before leaving.

# PARENT INFORMATION

## PARENT RESPONSIBILITIES

1. Assist the school a minimum of four hours per month.
2. Be responsible for replacing, repairing, or paying for books, or other school property that his/her child loses or damages.
3. If at any time the parent is unable to help his/her child with homework he/she will pay a tutor to help the child.

## STUDENT RESPONSIBILITIES

1. Maintain a level of academic performance and behavioral conduct that meets East Wake Academy standards.
2. To be properly dressed according to the required attire policy as established by East Wake Academy.
3. To attend classes and be punctual every day that school is in session, when in good health.
4. To observe all other established rules and policies as established by East Wake Academy.
5. To enter the school with expectations of doing better than they have done before and will improve any behavior or attitude weakness that may prevent them from learning.

## PERSONAL BELONGINGS

- Students are responsible for personal belongings at school. All personal items need to be marked with the student's name. Students are not permitted to bring electronic equipment, radios, videos, video games, computer games, discs or that are not licensed to East Wake Academy, CD players, tape or cassette players and MP3 players; unless prior teacher approval is obtained. Cellular phones may not be used and should be turned off during the school hours; unless prior teacher approval is obtained.

## BOOKS

- All books issued to a student are his/her responsibility. If they are misplaced, damaged, or stolen that student to whom they were issued is responsible for paying replacement costs.

## VOLUNTEERS

- Volunteers play a key role in the success of East Wake Academy. Parents sign a contractual agreement saying that they will volunteer a minimum of 4 hours each month. We will need volunteers throughout the entire year. Parent volunteers are required to sign in the volunteer logbook and wear a badge while on campus. We understand that many of our parents work full-time jobs and are not able to come to campus due to scheduling, location, etc. However, our teachers have several needs that would give parents the opportunity to put in their volunteer time. Please contact your child's teacher to see where you can contribute.

## PARENT-TEACHER CONFERENCES

- Communication between parents and teachers is essential. We ask that parents do not arrive at their

child's classroom unannounced for a conference but allow teachers time to prepare. Also, unannounced visitors during class time disrupts the learning environment of all the students in the class. If you would like to meet with your child's teacher, **please schedule an appointment.**

#### **NEWS MEDIA ACCESS**

- During the school year students are likely to be recorded, videotaped, interviewed and/or quoted by various types of news media (i.e. radio, television and newspapers, etc.). Release forms were included in the registration packet for parents to sign. If you do not wish for your child to be interviewed or photographed, please contact the administration in writing expressing your child's restriction to the news media.

# INCLEMENT WEATHER POLICY

- In case of inclement weather, parents should follow the information from the below listed stations.
- Makeup for days missed will be determined when the need arises.
- Parents will be notified in advance of the scheduled makeup days.
- Television and radio announcements will be made early on mornings of inclement weather. Announcements will be given to the following stations just as soon as a decision is made, generally no later than 6:30 a.m.

## TELEVISION STATIONS

- WRAL & WRAZ (5 & 50)
- WTVD (11)
- WNCN (17)
- also online via Internet ([www.wral-tv.com](http://www.wral-tv.com))

## SCHOOL WEBSITE

[www.eastwakeacademy.org](http://www.eastwakeacademy.org)

## INCLEMENT WEATHER POLICY

- Weather conditions sometimes worsen during the day after students have arrived at school. If early dismissal of school is necessary, television stations and school website will make the proper announcement. We are a commuter school and the safety and well-being of the students, faculty and staff is of the utmost importance to us. Please remember to use caution when driving to and from school during inclement weather conditions.

## FIRE/SEVERE WEATHER DRILLS

- Fire drills are performed on a monthly basis and severe weather drills on an annual basis as a safety precaution for all individuals in the school. They should be taken seriously and everyone should exit the building promptly, orderly and quietly.

## TORNADO DRILLS

- Tornado drills take place at least once annually and will be scheduled by the administration. During a tornado drill, students are to be moved to a safe location away from windows. Each child will practice crouching down on the floor and covering their head or the back of the neck to reduce injury.

## LOCKDOWN DRILLS

- Lockdown drills are performed yearly and are scheduled by administration. During the drill students are kept safely in their classrooms away from doors and windows.

# MEDICAL INFORMATION

## SCHOOL HEALTH SERVICES

- East Wake Academy staffs a full-time Registered Nurse. The school nurse manages the School Health Services, assesses student health and development, helps families determine when medical services are needed, and serves as a professional link with physicians and community resources. THE SCHOOL NURSE CANNOT DIAGNOSE HEALTH PROBLEMS.
- The goals of the School Health Services are:
  - Maximize the quantity of in-class time by reducing the incidence of health related absenteeism.
  - Eliminate or minimize health problems that impair learning.
  - Help students achieve the highest degree of independent functioning.

## MEDICATION REQUIREMENTS

1. School officials may administer medication to students if one of the following criteria are met:
  - The *Parent Request and Physician's Order Form for Medication* is completed and in the possession of the school. School staff members are not to administer "over the counter" medicines that are not ordered by a physician.
  - If a doctor orders a non-prescription medicine, it must be received in the original container and will be administered according to the doctor's written instructions.
  - Students may need to take short-term (2 weeks or less) medication after an acute illness. If a child is symptom free and a doctor recommends they can return to school, they may do so and have the medication administered as indicated on the pharmacist's label. The pharmacist's label with a note from the parents may substitute for the *Physician's Order Form for Medication*.
  - In the case of long-term medications, requests and physician's orders should be updated at the beginning of each school year and any time there is a change in the dosage prescribed.
  - No medication will be given by a school official unless it is in a container dispensed by a pharmacy with the student's name, name of the medication, the date the prescription was filled, and directions for administration clearly marked. The medication label must match the name and dose of medication list on the physician order form.
2. At all school levels, students may self-medicate with emergency prescription medicine (i.e. asthma inhalers, epi-pens) if they have permission to do so documented on the *Parent Request and Physician's Order Form For Medication*. At the elementary level, no other self-medication, including over-the-counter medicines, is permitted.
3. At the secondary level, students may self-medicate with over-the-counter medications. Should there be concern or question about the appropriateness of self-administration, school personnel should notify the school nurse. The school nurse will then consult with the student's parents.
4. The storage of self-administered medications is determined by the school nurse, as directed by the principal, based on the nature of the medication, age of the child, and the child's ability to maintain safe use, including a child keeping the medication on their person. Under no circumstances should a child be denied easy access to emergency medications such as asthma inhalers.
5. It is the responsibility of the parent to bring the medication to school. The school nurse will receive the medication at school. Separate containers for school and home should be provided so that one container may stay at school. Pharmacies will provide two containers if asked to do so.

## IMMUNIZATIONS

- Students entering East Wake Academy must have copies of their birth certificates and any other records the school may require. They must also have documented proof of having received the North Carolina required immunizations. NC Law requires the following minimum doses:
  - **DTP, DTAP, DT**—5 doses (If 4<sup>th</sup> dose is after 4<sup>th</sup> birthday, 5<sup>th</sup> dose is not required.)
  - **POLIO**—4 doses (If 3<sup>rd</sup> dose is after 4<sup>th</sup> birthday, 4<sup>th</sup> dose is not required.)
  - **Hib**—1 dose on/after 1<sup>st</sup> birthday and before 5 years of age (Not required after age 5).

- **MMR (Measles, Mumps, Rubella)** – 2 doses (1<sup>st</sup> dose on/after 1<sup>st</sup> birthday)
- **Hepatitis B** – 3 doses required for all children born on/after 7/1/94.
- **Varicella (Chickenpox)** – 1 dose (On or after 12 months of age and before age 19 months, for all children born on or after 4/1/01.)
- A booster dose of tetanus/diphtheria/pertussis (DTAP) is required for individuals attending public school who are entering the 6<sup>th</sup> grade on or after August 1, 2008, if 5 or more years have passed since the last dose of tetanus/diphtheria toxoid.
- *The school must receive acceptable medical evidence of immunizations within 30 calendar days of school starting, or the child will be suspended from school.* Any medical or religious exemptions to immunizations need to be on file at the school, and it is the parent's responsibility to provide such documentation.

## ILLNESS

- School nurse will notify parents and arrange for children to go home when they have the following symptoms:
  - Fever of 100.0 or higher (child should remain at home until fever free for 24 hrs.)
  - Nausea, vomiting
  - Severe headache
  - Diarrhea
  - Red, watery eyes with yellow drainage
  - Undiagnosed rash

***Students should not be sent to school if they are experiencing any of these symptoms.***
- Students are excluded from school in cases of communicable diseases. When a student is suspected of having one of the following communicable diseases, it is the responsibility of the parent to take the child to the local health department or family physician for verification and treatment before that student can return to school:
  - **Chicken Pox:** Student is excluded for 6 days after the rash appears or until all blisters have formed scabs.
  - **Measles:** Student is excluded until physician's written approval is given and the student is no longer contagious.
  - **Ringworm:** Student is excluded from school until seen by a doctor and treatment is started.
  - **Scabies:** Student is excluded until one (1) treatment with prescription medication is complete. Proof of medication is needed.

Students should not return to school until prescription medication has been applied for up to twenty-four hours.
  - **Impetigo:** Student is excluded from school if (s)he has more than three or four sores and until seen by a physician and treated with a prescription antibiotic for twenty-four hours. Proof of medication is needed.
  - **Streptococcal and Staphylococcal Infections:** Student is excluded from school until treated with prescription antibiotic. Students with a confirmed case of MRSA (Methicillin-resistant Staphylococcus aureus) will be treated on an individual basis. The student's Physician, the School Nurse, and the Headmaster will decide when a student identified with MRSA infection may return to school.
  - **Head lice:** Students found to have live head lice will be sent home immediately for treatment. When proof of treatment is provided the child may be re-admitted to school. The presence of only hatched egg casings/nits (white) does not constitute grounds for exclusion. The presence of unhatched, live nits (usually white with brown dot, within ¼ inch of scalp) indicates active infestation requiring treatment (unless the student was treated within the previous seven days) and exclusion from school until all live nits are removed. A 7-day follow-up examination by the school nurse shall follow readmission. To help keep this problem under control, parents should conduct periodic lice checks at home. The school should be notified if lice are found. A written notice will be sent to the parents of all children in a classroom where a confirmed case of head lice occurs. In classrooms where an outbreak (three or more cases) of head lice occurs, all students will be examined by the school nurse.

# CONDUCT AND DISCIPLINE

- For a school to meet the needs of its students there must be an environment conducive to serious study and respect for oneself, other people, and property. The purpose of this Code of Student Conduct is to provide in a single document those policies relating to the conduct of students at East Wake Academy judged to be necessary for the safe and effective operation of the school.

**All students shall comply with all rules and regulations governing behavior and conduct.**

- This code of student conduct shall apply to:
  - any student in any school building or on any school premises before, during or after school hours
  - any student on any bus or other vehicle on which the student is being transported as part of any school activity
  - any student during any school function, activity or event
  - any student at any time when he/she is subject to the authority of school personnel
  - any student whose conduct at any time or place has a direct and immediate effect on maintaining order and discipline in the school.
- Violation of Board policies, rules or regulations, the code of student conduct, regulations issued by East Wake Academy, or the North Carolina General Statutes may result in disciplinary action including termination of the student from East Wake Academy pursuant to Board policies. All expulsions will be for the remainder of the school year. Re-entry will be based on a case-by-case basis at a review hearing before the Board of Directors. Students cannot re-register for the next school term at East Wake Academy until a hearing is held before the Board of Directors and written approval by the Board of Directors for re-entry is granted.
- Student misconduct not covered by the previous levels shall be dealt with by the administration or the designee as appropriate. The administration is authorized to promulgate individual school rules and regulations, including disciplinary penalties for violating individual school rules and for matters and misconduct not covered in the following sections.
- Circumstances and degrees of involvement could lessen a serious offense or make a minor offense more serious. **The administration or designee has the authority to modify the discipline recommended in the code for each offense when, in their opinion, the facts and circumstances justify a less or more severe penalty.** Any student who has violated one or more sections of the code may be subject to more severe disciplinary action than recommended in the code. The student must understand that their rights and responsibilities carry equal weight. One cannot exist without the other.
- When a school official learns or suspects that any student has violated any Board or school policy, rule or regulation that may also be a criminal violation of the laws of the United States or the State of North Carolina, he/she shall promptly report such violation to the proper law enforcement agency. In such cases, school officials shall cooperate fully with the law enforcement agency; however, internal disciplinary proceedings shall proceed independently from any criminal investigation and prosecution.
- The teacher is charged with the responsibility of maintaining student control and proper conduct for **all** students. The administrative office shall be ready and willing to give the teacher any assistance he or she may need. **However, the most effective control is that which is maintained by the teacher.**
- The Board believes that vitalized teaching and proper guidance will minimize the necessity for various types of punishment. However, it is recognized that in some cases reasonable punishment or even suspension may be necessary.

## **The following sanctions will be used with the discipline policy of East Wake Academy for Grades 5-12:**

The East Wake Academy Board of Directors believes that all students are entitled to school-related environments that are free of sexual harassment. To this end, the Board prohibits students from engaging in sexual harassment and advises students that when evidence of sexual harassment is established, disciplinary action may be taken, up to and including suspension.

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment by a student when such conduct has the purpose or effect of unreasonably interfering with another student's educational performance or creating an intimidating, hostile, or offensive environment.

Examples of sexual harassment include, but are not limited to, continued or repeated offensive sexual flirtations, advances or propositions; continued or repeated verbal remarks about an individual's body; sexually degrading words used toward an individual or to describe an individual; and the display of sexually suggestive objects or pictures. Sexual harassment does not include personal compliments welcomed by the recipient, or social interactions or relations freely entered into by students.

In the event that a student believes that he/she has been sexually harassed by another student, he/she should bring the matter to the attention of the Administration. The Administration or the Administrator's designee will investigate the matter and may impose disciplinary sanctions on the harassing student in accordance with disciplinary policies. Any student reporting sexual harassment who is not satisfied with the Administration's response or who continues to be sexually harassed may file the complaint with the Board of Directors. However, student discipline records remain confidential and may not be revealed by the Administration or other school personnel to the student reporting sexual harassment.

Sexual harassment of a student by an employee also is prohibited. Any student who believes he/she has been sexually harassed by an employee should report it promptly to the Administrator or other school official.
